Information for Students

Trending Tips

- Learn how to submit an assignment [1] in your Portal course.
- Learn more about completing peer and self assessments through peerScholar [2].

Do you need to access Winter Term courses? See Login and Access your Course [4] for more information.

How do I log into the Portal?

- Log in and Accessing My Course [4]
- Portal Student Orientation Video (created by UTM Library) [5]
- Guest Access [6]
- Course Home Page [7]
- Changing Your Personal Information [8]

My Page [9]

Assignments & Tests

- Submitting Assignments [1]
- My Grades [3]
- Completing a Test or Survey [10]
- Portfolios Overview [11]
- peerScholar [2]
- Turnitin [12]

Classroom Response System

- iClicker Student Registration [13]

Course Notifications

- Course Availability [14]
- Announcement Email [15]
- Notifications Dashboard [16]
- Email Notifications: Notifications Dashboard [17]

Communication

- Sending and Receiving Email [18]
- Discussion Boards [19]
- Blogs [20]
- Journals [21]

Webinar software (Blackboard Collaborate)

- About Blackboard Collaborate [22]
Participants Orientation [23] (video)

Check Your System Requirements

- **Step 1:** Do you have the supported Operating System and version of Java installed for Blackboard Collaborate? [24]
- **Step 2:** Enter a configuration room and test your connection, settings, and configure your audio. [25]

Logging in to the webinar [26] (video) NB: Participants using Mac OS X 10.8.4 and later will be prompted to download and use the Blackboard Collaborate Launcher. Additional information regarding the launcher and its use can be found on the Blackboard Collaborate website [27].

Getting Started for Participants Quick Reference Guide [28](pdf)

Minimum System Requirements [29]

Joining by Telephone [30]

Troubleshooting common Webinar issues [31]

Groups

- UT Group Self Sign Up [32]
- My Groups [33]
- Group Assignments [34]

Screen Recording

- Techsmith Relay [35]
  
  **NOTE:** Students are limited to 40 videos on the MyMedia service.

Publisher Access in Your Course

- WileyPLUS [36]

Content Collection

  - Uploading content

Learner Support Available at the University of Toronto [37]

Help Contacts [38]

Supported Browsers [39]
