Information for Students

Transition from Portal to Quercus:

The University of Toronto is replacing Portal with Quercus as part of the University’s Toolbox Renewal [1].

- The Portal (Blackboard) will cease to be available as of August 31, 2018.
- Portal [2] courses will not be available after that time.
- Quercus [3] (powered by Canvas) is U of T’s new academic toolbox

Course Access and Support Resources

- Go to https://q.utoronto.ca [3] and log in to access your course
- Student Quercus Guide [4]
- Quercus Support Resources [5]

Portal Support for Students
